

Regional Leadership Academy

"Developing the next generation of business and civic leaders in the Inland Empire"

Nomination Form

2018- 2019

Regional Leadership Academy

Dear Community Leader:

The Inland Empire Economic Partnership (IEEP) Board of Directors is pleased to announce the sixth year of ***The Regional Leadership Academy***. We believe that the economic future of our region depends on forming the best leaders of San Bernardino and Riverside Counties. This program has been designed with your interests in mind.

The academy is intended to serve actively engaged members of the regional community in the public and private sectors. Participants will gain an in-depth understanding of key issues facing the Inland Empire region, including the Coachella Valley and the High Desert, Southern California and the state of California. Those who are interested in advancing their knowledge of regional issues, public policy, political and cultural perceptions of the Inland Empire within the state, as well as leadership skills, are encouraged to participate.

Participants will engage in all-day sessions once a month from September, 2018 to June, 2019. The group will also travel to various destinations to connect with regional and statewide leaders. These travel opportunities will encourage civic engagement and the building of relationships necessary to leadership. IEEP will present those who successfully complete* the academy with a certificate endorsed by California State University San Bernardino and California Baptist University.

This program addresses our region's need to develop and expand a network of professional leaders in the business, government and community sectors across the Inland Empire. ***The Regional Leadership Academy*** program will provide its participants the invaluable experience of becoming a steward to our region. By expanding their understanding of the people, places, and trends shaping our region, the participants will become more valuable employees and citizens of the Inland Region.

We invite you to sponsor a (n) individual(s) from your exceptional team to the academy, who would in turn benefit your efforts through an in depth and comprehensive understanding of the Inland Empire's role in relation to Southern California and the state of California. We ask you to also give consideration to sponsoring candidates who reflect the diverse demographics of our region.

More information on the program's curriculum will be made available. We are asking that you contribute \$2,000 per participant to ***The Regional Leadership Academy*** to support associated costs. This tax deductible contribution (501c3) goes toward the cost of planning, facilitation, catering (all lunches are included), rental/facility fees, and some transportation (includes buses, hotel, and airfare to Sacramento). This investment has the potential to greatly benefit the leader(s) you have identified.

We look forward to graduating the second class of ***The Regional Leadership Academy*** and hope that you will join us in developing the next generation of Inland leaders.

Thank you for your consideration,

Paul Granillo President & CEO
